PRESENTERS MEETING: Sunday 5 December at the studios in Cameron Street commencing 12.15pm. There will be nibbles supplied but if you wish to bring a beverage of your choice please do so. Tea and coffee will be on hand. You'll be able to discuss issues you wish to raise that the current Committee of Management need to address. See you there, and don't forget your hat.

2WAY ON DEMAND: Are you aware of it? We do great community interviews on local issues. You can listen to Beverly & Christine via our station website www.2wayfm.com.au (top toolbar.) We're currently featuring talks about Dementia, Carer's issues, the Samaritans Purse and Women's Health. Try it!

AUSSIE BLUE: Coral Rose's popular country music program 'Aussie Blue' on Saturday 11th December will feature only country music artists from within our own community. A rare chance to hear some up and coming local talent while giving these artists a much needed career boost too. Well done!

COMING UP: Just a quick note to all presenters. If you're doing anything special on your show over the Xmas /NY period (featured artist, featured era or similar) OR have any news at all about your show you'd like known please email me at: dave.reneke@gmail.com for inclusion in next month's station 'Newsletter.' Folks we NEED content!

BUNNINGS BBQ: Just a reminder that we are to be the hosts of the BBQ at Bunnings on Sunday 12 December. It's one of our major fundraisers so why not volunteer for next year? If you can cook, butter bread, serve customers or just assist in the end of day clean-up let the office know OK. Thanks!
